About Our Company

A Brief About of Dig to Dive

TVA Swimming Pool Solutions is a leading provider of premium swimming pool services, catering to both residential and commercial clients. Founded in 2000, our mission is to deliver superior pool installations, maintenance, and renovations with a focus on quality, customer satisfaction, and environmental sustainability.

We are committed to offering a wide range of pool solutions, from the initial design phase to ongoing upkeep. Our highly skilled team of pool experts works closely with each client to create personalized, innovative, and safe pool environments that perfectly match their needs and lifestyle.

Our Services

A vision is crucial for defining future goals and direction. For a swimming pool construction company, it outlines long-term objectives and the impact on the industry. This session will highlight the company's mission to deliver high-quality, innovative pool construction while meeting customer expectations and fostering growth.

01. Pool Installation

We offer custom-designed swimming pools tailored to each client's preferences, budget, and available space. Whether you want an elegant infinity pool, a family-friendly pool, or a resort-style oasis, TVA Swimming Pool Pools provides end-to-end services, from design to construction.

02. Pool Maintenance

TVA Swimming Pool Pools provides regular pool cleaning and maintenance packages, ensuring your pool stays clean, safe, and operational year-round. Services include routine cleaning, chemical balancing, equipment inspections, and water testing.

03. Pool Renovation:

Looking to upgrade your existing pool? We specialize in renovations, including retiling, resurfacing, and adding new features such as waterfalls, lighting, and energy-efficient equipment.

04. Pool Equipment Sales & Installation:

We sell and install top-of-the-line pool equipment, such as pumps, heaters, filters, and automated cleaning systems. Our experts can help you choose the best equipment to meet your needs.

05. Emergency Repair Services:

Whether it's a broken pump, faulty lighting, or a pool leak, our team is available to handle pool repairs quickly and efficiently, minimizing downtime and inconvenience.
